PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This is a good paper on foods especially when it comes to healthy diet. The experiments conducted to find the best overrun is good and agaltine comes out the best. But the research question could have been a little more specific.	
Minor REVISION comments	Some of the values are not that good for agaltine, but overall it seems to be the best.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
