

**Editor's Comment:**

After reading the manuscript titled: "**Contributions of Ethiopian Women in Farming & Its Allied Fields**", the reviewers comments, and the authors' corrections, especially those suggested in the document "Feedback\_AJGR\_92700\_v1 \_Nah.doc". I consider that the document still requires a final revision, since certain errors remain, such as the lack of reference in the bibliography of the citation (IGNO, 2009).
