**Editor decision regarding Ms AJRAVS 93399**

**EFFECT OF DIETARY INCLUSION OF AGRICULTURAL WASTE-DERIVED ACTIVATED CHARCOAL ON HEMATOLOGICAL AND SERUM BIOCHEMICAL INDICES OF LAYER CHICKENS**

The subject of the manuscript looks of some practical interest. Besides, the Reviewers' comments have been correctly addressed by the Authors.

Accordingly, in my opinion, the revised version of the manuscript is now acceptable for publication in AJRAVS.
