General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajravs.com/index.php/AJRAVS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Abstract, Materials and methods demands major revision. Seasonal aspect must be included.	
Minor REVISION comments	Introduction must be robust and the purpose of the research must be justified in a statistical fashion. The article must be written in a single font and the references must be re-written according to the journal standards. Latest articles relevant to the work must be included.	
Optional/General comments	The entire article was written in a lazy fashion. Grammar mistakes are numerous and need a major revision. As such the research approach was good.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
