

Editor's Comment:

I have gone through the improved manuscript. However, the manuscript needs major revision.

1) The abstract was poorly written to avoid having citations in the abstract.

2) recheck the title. STUDIES ON THE EFFECTS OF ETHANOLIC STEM BARK EXTRACT OF *Parkia biglobosa* (LOCUS BEAN) *Aspergillus niger* AND *Aspergillus fumigatus*

consider a change to EFFECTS OF ETHANOLIC STEM BARK EXTRACT OF *Parkia biglobosa* (LOCUS BEAN) on *Aspergillus niger* AND *Aspergillus fumigatus*

and I recommend this manuscript for publication. However, the manuscript needs extensive revision for grammar.
