

Editor's Comment:

The manuscript entitled "Impact of therapeutic foods on hematological parameters of malnourished children admitted at the Intensive Nutritional Recovery Center of Tessaoua, Maradi, Niger Republic" evaluated by two reviewers and they have suggested some minor revisions, which are revised by the authors. I would like to inform you that the manuscript can be accepted in its revised form.

Editor's Details:

Dr. Irfan Erol
Professor,
Eastern Mediterranean University School of Public Health, Northern Cyprus.
