PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none">1. In the draft of your research article, starting from the title of the research, the content of the ABSTRACT, the contents of the INTRODUCTION chapter, the contents of the DISCUSSION chapter to the contents of your CONCLUSIONS, it does not reflect or describe its relation to aspects of climate change or aspects of sustainable development or aspects of environmentally friendly engineering systems.2. In the draft of your research article, only the agricultural aspects are highlighted. So it is important to readjust it to the scope of the research topic requested by this journal.3. In the draft of your research article, it does not follow the writing template format that has been determined in this journal, such as: writing keywords, writing citations, writing table titles and figure titles, table writing styles, and reference writing styles.4. In the draft of your research article, it is necessary to add content for the "ACKNOWLEDGEMENTS" chapter.	
Minor REVISION comments	-	
Optional/General comments	-
