This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ul style="list-style-type: none">• The abstract, introduction and Materials and methods are very poor and needs to be rewrite• Also the language should be define and the past mentioned components must rewrite• The very important comment is I can't reviewing research paper not clear for me such as PSB• I can't see innovation techniques applied in the work and I think most of treatments (Red colour) should be cancelled and other related with unknown PSB should be decreased	
Minor REVISION comments	All comments mentioned in the text	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
