PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>1- The abstract of the paper is very long. Please reduce it and focus on the most important main objectives of the paper. It is also preferable to exclude references from the abstract.</p> <p>2- Extend the Introduction by mentioning previous works to be easier to follow because it's not enough.</p> <p>3- I think there is some missing information before lemma (2. 1) immediately please check it.</p> <p>4- Replace the word (there exst) in definition (2. 11) with (there exist).</p> <p>5- There are no references for basic results and definitions which were mentioned in section (2. 1). So, I suggest that the author must add it.</p> <p>6- The arrangement of paper not good in general.</p> <p>7- References should be rewritten, arranged and completed according to Journal guidelines.</p> <p>5- There are a few technical errors in this article, the authors should improve them.</p> <p>8- The article is not well organized; format and spaces between lines should be the same for all paper.</p> <p>9- There are some words beginning with small letter that mention in the first of the sentence, please, could you check all the paper., arranged and completed according to Journal guidelines.</p>
