PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The Ms JEAI 93708 has an interesting point for long-term production of cowpea in Burkina Faso. A few remarks follow; In the methods, include specific fertilizer conditions for E (E1-E21). Insert statistic value in all Figures/table. In the Conclusion and Abstract, describe which E was recommended for crop development / yield. For example, E4 and E6 may be beneficial to plant development; however, E6 may be beneficial to yield production.	
Minor REVISION comments	-	
Optional/General comments	Please double-check some of the wording and English in the MS	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
