

Review Form 1.6

Journal Name:	Microbiology Research Journal International
Manuscript Number:	Ms_MRJI_93288
Title of the Manuscript:	Isolation, Identification and Evaluation of the Plant Growth Promoting Activities of Endophytic <i>Stenotrophomonas maltophilia</i> to Stimulate Growth of Clover Plants under Salt Stress
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

<https://www.journalmrji.com/index.php/MRJI/editorial-policy>

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	This article deals with a very important problem, the author has brought a scientific study, accompanied by a bibliographical review. An introduction, where he clearly expressed the problem and the objective of the study; an experimental study, where he used several well-referenced methods; interesting results, well discussed by comparing with previous studies and a well-conducted conclusion. Language must be check and revised Author should follow journal guidelines	
Minor REVISION comments	The author specified that the study is carried out on Clover Plants under Salt Stress; will these results still be valid in non-stressed soils or with different degrees of salinity?	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
