

SDI EDITORIAL COMMENTS FORM

EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>The following flaws need to be taken care of:</p> <ol style="list-style-type: none"> 1. The format for citations in the text must be changed from "{1}" to "[1]". 2. "{8} noted that" should be changed to "Akinyemi et al. [8] noted that". 3. "according to the {20}" should be changed to "according to the Nigerian Population Commission [20]". 4. "square. Kilometers" must be changed to "km²". 5. Have to number all equations listed in the text. 6. "e" term may be excluded from the Y function formula. 7. What is the meaning of "Σ" in GM formula? 8. What is "Total" row value of "**** (multiple responses)" in Table 9? 9. What is the "Label" for the second column in Table 10? 10. What is the meaning of "T" and "Sig." in Table 11? 11. A thorough proof-check and English check is highly recommended. 	<p>All comments were attended to accordingly ,Thanks,</p>
