General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajaees.com/index.php/AJAEES/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	Yellow highlights: Put corresponding bibliographical references if necessary, please. Green highlight: Please, try to summarize in a single paragraph. There is information that is duplicated. Try to rewrite if possible, without losing the meaning of the information provided. I have added some comments in other parts of the text (yellow highlights) that the authors have to erase after answering the queries.	
Optional/General comments	Interesting paper because it evidences, discovers and gives visibility to the rest of the world the transcendence of the topic analyzed in the well-being of children in a very important stage of their lives, through their caregivers.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
