PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	[1] This is an interesting study on Socio-economic profile of fruits and vegetable growers. [2] The article is good, well-organized and neatly written. [3] The experiment is just remarkable when it comes to brain discussion. [4] The author may do continue the research in different scope, within the same topic. [5] My comments here are concerned solely with [6] the organization of the manuscript. Consideration of these points will, I believe, lead to an improved report that better illustrates the key concepts and conclusions.	
Minor REVISION comments	[1] It is suggested that the author add extra paragraphs in the literature review. [2] It is suggested that the author cite recent and pertinent literature, assisting in putting the current study within the context of scientific advancement on the issue.	
Optional/General comments	I would be happy to recommend the manuscript for publication of Socio-economic profile of fruits and vegetable growers: An after the fact research in Asian Journal of Agricultural Extension, Economics & Sociology
