EDITORIAL COMMENT'S on revised paper (if any)	Authors' response to editor's comments
<p>1. Several misprints are indicated by me with red colour. Europeans and people from Northern countries do not know what are: meluku, chunda, kurunthotty and kalpasam. Unfortunately, I failed to find the information in internet. Will the authors give at least latin names of plants (if these are plants) or any possible explanation?</p>	<p>Correction has been done as per the recommendation I had mention the botanical name of all the Non Timber Forest Products(NTFPs) Except honey all are medicinal plants Bee wax is a by-product of honey</p>
