### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	The paper is an interesting report on the effect of different types of mulches on yield of pumpkin in salt affected soil. The weakness of paper author used one single variable and experiment was carried out for one season. For reliable results the experiment should be repeated. Otherwisethe author has done sufficient work on this topic, and the proposed data collection works well. The data and result illustrates his point of view.	
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments		

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
