PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The idea behind the study is well conceived, the author(s) seems to know what he wants to do but the technical knowledge of the methodology is below average.	
Minor REVISION comments	There is the need for major revision in the following areas: 1. The methodology (ARDL equations) needs to be presented in section 3 2. Some of the comments particularly on the requirement for ARDL are not true and thus should be revisited as suggested in the manuscript. 3. Equations and Tables should be renumbered as suggested in the manuscript	
Optional/General comments	The idea seems novel, and the style of writing is fairly okay but the presentation of the methodology is not sound. Thus, the need for major revision.
