PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ul style="list-style-type: none"> ➤ Can u tell me the reason why you have selected certain number of farmers under marginal, small, medium and large categories viz., 108, 152, 124 & 16, any specific reason? ➤ The reason behind choosing Gopalganj as the study area is that it is an agrarian area where 61.75% people in Gopalganj district live on agricultural activities doesn't justify your selection of the study area, don't you think any other district which has more area under agriculture? ➤ Under section 4.3 Factors Affecting non-farm Income of the Farmer, you have taken nine variables but in the finding paragraph you have mentioned as seven explanatory variables? ➤ You haven't added the recoomendations under section 5 : Conclusion and Policy recommendations 	
Minor REVISION comments	<ul style="list-style-type: none"> ➤ Under section 3.3, in the farm- income equation, you have used AC as an abbreviation for access to credit facilities but in the description you have mentioned the same as ATC and same in the case of non- farm income equation, you have used MAC for vocation and technical training, but you have used it under ATV in the equation, try to avoid such kind of small mistakes next time. ➤ In Table 3: Descriptive Statistics of Explanatory Variables of the Farmer's income, you haven't mentioned the full form of abbreviation of Tk of farm income 	
Optional/General comments
