Compulsory REVISION comments	<p>The topic is interesting but an additional effort is required to fix many issues:</p> <ol style="list-style-type: none"> 1. I suggest the researcher has to modify the title start as 'Investigating the influence of leadership styles on teachers' job satisfaction in the Tanzanian context'. 2. The whole article is badly in need of thorough editing. 3. All language problems are t be fixed. 4. There is a lack of consistency all over the article. 5. The abstract needs further work. 6. The researcher needs to elaborate more on the different techniques used in the study and what they are expected to reveal. 7. All of a sudden the researcher presents the strategies in the analysis and discussion in section 3.2. Such strategies must have been introduced first in the literature review section before explaining them here. 8. The conclusion needs further work. 9. All the list of references is to be reconsidered in light of the APA citation system.
