

Editor's Comment:

Taking into account the results of evaluation process and two positive review reports and authors' feedback of the manuscript 2022/AJFRN/91507 entitled "*Influence of Post-Harvest Technology Treatments on Polycyclic Aromatic Hydrocarbons Formation in Cocoa Beans and Derived Products*", by Sess-Tchotch Didier-Axel et al., I can state that the authors complied with reviewers' comments, so the manuscript can be accepted for publication in Asian Journal of Food Research and Nutrition.
