

Editor's Comment:

I have reviewed and looked at the reviewer's comments and the author response, I think, the author has/have responded well for the reviewer's comments, and therefore I recommend accepting the manuscript for publication.

I have only one comment:

The author should put the caption of Figure 1. under the figure and not in the top of the figure.

Editor's Details:

Dr. Hani Rezgallah Al-Hamed Al-Amoush
Associate Professor, Institute of Earth and Environmental, Al al-Bayt University, Jordan.
