<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"> <li>1) Change the title of the manuscript from "Formation Evaluation of 'H' Field, in the Niger Delta Region, Nigeria" to "<b>Formation Evaluation of Wells X and Z in H Field, in The Niger Delta Region, Nigeria</b>" (for example). You cannot carry out the formation evaluation of a field from the data of just two wells in the field. A field can contain so very many wells. So change it to wells 1 and 2 of your choice in Field H.</li> <li>2) <b>Correct spelling formats:</b> In the abstract, it should be Agbada <b>Formation</b> (not Agbada formation). In the introduction, after "the sixth largest province", add <b>in the world</b> before in terms of land area. It is <b>evaluated</b> to hold (not expected). It is Niger Delta Basin (not Niger delta basin). The Benin <b>Formation</b> (not Benin formation).</li> <li>3) There is no single in-text citation.</li> <li>4) Figs 1.1 and 1.3 are exactly the same in expression and name.</li> <li>5) The references at the end of the article should have a definite format. They are not properly presented</li> </ol>
