EDITORIAL COMMENT S on revised paper (if any)	Authors response to editor s comments
<p>it does not add anything relevant to scientific knowledge, either from a theoretical or practical point of view, which jeopardizes its interest even as a review article.</p> <p>For the Minkowski and Euclidean distances, it was found that the correlations between Eakimo and Korea has the smallest distance (line 13 of the Discussion and Results).</p> <p>In addition, English needs a thorough grammatical revision. Also note that there are proper names starting with a lowercase letter.</p>	<p>It add enough relevant scientific and theoretical knowledge. It is original research paper. The plagiarism rate have been addressed.</p> <p>This aspect have been addressed.</p> <p>It has been taken care of, I appreciate your comment.</p>
