### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajpcb.com/index.php/AJPCB/editorial-policy> )

### PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<ol style="list-style-type: none"><li>1. In the discussion chapter to add to the results of the research, an analysis of the discussion of one meeting (can be compared with the results of previous studies, existing theories) is sought for discussion and then discussed in full and in detail.</li><li>2. It is necessary to apply for ethical clearance to the ethics committee so that there is evidence that the research conducted does not violate ethics to protect and avoid conflicts of interest</li></ol>	
<b>Minor</b> REVISION comments	In the discussion or discussion section, it is necessary to explain one meeting from the research results obtained (given the table description)	
<b>Optional/General</b> comments	In general it's good but needs an ethical test	

### PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<p><i>(If yes, Kindly please write down the ethical issues here in details)</i></p> <p>Yes, it is suspected that there is an ethical problem so that there is a need for evidence that the research conducted does not violate ethics to protect the subject and avoid conflicts of interest, namely by writing down the ethical pass certificate number that has been issued by the relevant agency.</p>
