

**Editor's Comment:**

**This article is very good** research article.Observational, descriptive, comparative, triple-blind study. We recorded the position in which gynecologists pass to the newborn, and pediatricians receive, the transfer time to the radiant warmer, and the duration of the initial steps, in 150 deliveries and 150 cesarean sections

**The picture is very impressive and very clear. the expression is very good.**

- 1) **However, the references is only 22 ,also newest is 2 ,so need new one**
- 2) **. I hope to add one or two new references.**

***Accepted After Minor Revision.*** This is an interesting article , which deserves publication in the Journal .
