Manuscript Number:	Ms_AJRAVS_90005
Title of the Manuscript:	Nutritional Profile of German Cockroach Meal ( <i>Blattela germanica</i> ) as a Poultry Feed in Kenya
Type of the Article	Short communication

### General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalajravs.com/index.php/AJRAVS/editorial-policy> )

### **PART 1:** Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<b>The title of the article must be more specific. Introduction has got repetition of ideas and that needs to be rectified. Statistical data regarding protein deficit among the broiler sector must be included in comparison of Kenya to other countries. Grammatical errors must be rectified throughout the article.</b>	
<b>Minor</b> REVISION comments	Conclusion must be robust. The results and discussion part must be organised in a systematic manner.	
<b>Optional/General</b> comments	Per cent inclusion of the nymph and adult BG meal can be included after conducting a feeding trial among the broiler birds. Also, the economics can be calculated in long run of a poultry farm.	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
