PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The paper is important in the sense that it gives light to the presence of UN Troops in DRC.	
Minor REVISION comments	I have concern however to the title in itself. I recommend adding a word or two to clarify that UN is not causing the conflict but helping in its resolution. for example: United Nations Troops as the Key Player in Dealing with Conflicts in DRC	
Optional/General comments	The paper is generally sound and given that it is a short paper; the references are enough to provide background.
