	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	The article starts with an introduction and with it the article ends. There should be a way to present a research article. I do recommend the researcher to format the article accordingly. Because if any thing which has a start it should have an ending as well. Introduction ..... Conclusion	
<b>Minor</b> REVISION comments	since the article is more similar to a story, it did not have any features of a research article except its abstratct.	
<b>Optional/General</b> comments	It is very informational, even though it looks like an essay.
