Check for English language 3. Discuss the management of other acute medical conditions and differential diagnosis in the ED (e.g. In Vivo. 2018 Jul-Aug;32(4):921-925. doi: 10.21873; Curr Vasc Pharmacol. 2017;15(5):477-481. doi: 10.2174) 4. Discuss the financial impact of managing IHCA and other demographical factors affecting the outcome.
