

**Editor's Comment:**

I have seen the manuscript and the review process reports. The manuscript is technically "ACCEPTABLE" for publication. However, its formatting in two major headings "Introduction" & "Discussion" seems not suitable as per the general criteria of a review paper and may also be the journal requirements. Please confirm that and proceed accordingly.

**Editor's Details:**

Dr. Muhammad Abdul Rehman Rashid  
Assistant professor,  
Government College University Faisalabad, Pakistan.
