PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<ol style="list-style-type: none">1. The author has presented a good work in paper but needs to improve the writing skill.2. At many places three and more sentences are linked together with the help of "and" which makes them lengthy and difficult to understand the gist properly.3. The results can be shown with the help of graph in place of only tabular form. Graphical representation will definitely improve the weightage of the findings.	
Optional/General comments
