PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The manuscript needs further polishing of the text. The results are concise and to the point and well supported by references in the discussion. Needs rewriting of introductory part so as to reduce its size. I have pointed out the corrections and suggestions in the text. A complete bio efficacy studies as the author has worked out the economics part also. Worth publishing after making a thorough revision.	
Minor REVISION comments	Mentioned in the manuscript	
Optional/General comments
