

**Editor's Comment:**

Thanks for your letter. I read the manuscript "**Assessment of Salicylic Acid Impacts on Physiological**

**and Biochemical Characteristics under Water Deficit Stress on Pea**" and the other documents

including the peer review and the revised paper.

After the paper was revised by the authors, it is suitable to accept this paper for publication in our Journal.

**Editor's Details:**

Dr. Baohui Li

Associate Professor, North China Electric Power University, China.
