Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>This is an interesting study may be used in future consent and paper is generally well written and structured. However, Below I have provided numerous remarks on the text.</p> <p>Abstract: You may need to cite plants scientific name and the person who named it.</p> <p>Keywords: You should not write keywords in italic word.</p> <p>Introduction: In introduction you must write new references. It is very old references. e.g. Nath, 1976 and Bennett and Smith, 1976</p> <p>Materials and method: Major and Minor comments as below mention that might help further clarify the methods. You should write all varieties in method not write in table. It is very old references. e.g. Fisher and Yates, 1936.</p> <p>Results and discussion: In Plant height (cm): P 5 L 9-15: You should write comma after et al. like <i>et al.</i>, In Leaf length (cm): P 6 L 27-33: You should write comma after et al. like <i>et al.</i>, In Leaf width (cm): P 8 L 9-15: You should write comma after et al. like <i>et al.</i>, In Number of leaves per plant (No.): P 9 L 10-16: You should write comma after et al. like <i>et al.</i>, In Yield per plant (g/plant), Yield per plot (Kg/plot), Yield per hectare (q/ha) P 11 L 11-17: You should write comma after et al. like <i>et al.</i>,</p> <p>References:</p> <ol style="list-style-type: none"> Recent references should mention with maximum till 5 years (Here he/she given very old references) <ol style="list-style-type: none"> P 14 R 5, 8 and 14: very old All references must write in same format so check it. [eg . First write author name, title. Journal name (in italic front and short form). Year. vol. (issue): page number.] Ashraf, A. T. M. H., Mizanur M. R., Mofazzal H. M. and Umakanta, S. (2020). Performance Evaluation of Some Selected Okra Genotypes. International Journal of Plant & Soil Science. 32(3): 13-20. <ul style="list-style-type: none"> It is not in proper format. You should mention journal name like <i>Int. J. plant. Soil sci.</i> instead of International Journal of Plant & Soil Science. All references are in different format so check it. In some reference, not mention issue number and volume number so check it. <p>All references are in different format so check it.</p>	
Minor REVISION comments	<ul style="list-style-type: none"> You should separate key words by comma. You should mention one-time scientific name in abstract, introduction, result and discussion, conclusion. In this paper not found any major comments Some references are old so please check it. 	
Optional/General comments	This is a good review and will be very important in food. Please see comments above.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
