Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijecc.com/index.php/IJECC/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	There is no reference on the methodology section for supporting your choice techniques and approaches. From the list of reference presented, only one was cited in the text. The author is highly recommended to cite accordingly and exclude all the non-cited papers from the list. Need to define and specify, theoretically and mathematically, the employed models. The paper needs proofreading.	
Minor REVISION comments	Include discussion on the seed subsidy in the introduction. The sampling techniques need to be clarified. Indicate the source of the tables presented in the paper. Present a clear and detailed explanation of the variables used in the estimated models	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
