

Editor's Comment:

And based on the opinion of the arbitrators, for Research No 2022/IJECC/92676

I think that the research is acceptable for publication, but after reviewing the few grammar rules they were indicated in green,

The device used to collect samples; there are four types, any type was used in collecting samples galvanized Van Veen grab sampler.

The authors are also kindly requested to verify the advertised company, to which they were thanked for writing it correctly, and for accuracy in writing.

Write the role of each author in the research to maximize importance according to the item mentioned in the SDI Template

Please write references in accordance with the journal's policy.
