PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The writing could be improved by making sure that the grammar is correct and that the correct verb tenses are used. I think some points need to be supported by adding more recent relevant references, I made some marks in the article for the author's reference.	
Minor REVISION comments		
Optional/General comments	This paper titled "CONCEPTUALIZING DIFFERENT FOREST DEGRADATION DRIVERS WITH SPECIAL REFERENCE TO INDIA" analysed various forest degradation drivers and established keys to estimate the level of degradation. The topic of the paper is interesting. But I still have some doubts and questions about the paper. I recommend publication after careful revision.
