

Editor's Comment:

After read the paper entitled :**Survey, Occurrence and Management of Purple blotch and Twister disease of Onion (*Allium cepa* L.);** written by R. B. Sonawane, R. M. Birade, H. M. Patil³ and J. K. Dhemre; i conclude that this paper still need minor refinement : (1) What is the Main problem ; (2) Method : how the data selected and analyzed (3) conclusion. So please revise and then re submitted.
