

Review Form 1.6

Journal Name:	International Journal of Environment and Climate Change
Manuscript Number:	Ms_IJECC_92866
Title of the Manuscript:	Emerging issue of legal mechanisms of Caribbean countries to force action on climate change and its existential consequences
Type of the Article	

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijecc.com/index.php/IJECC/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	I suggest the authors to include more cites of researchers in the field related to climate change legal actions among Caribbean countries and comparing that research other regions such as Europe or America. I strongly recommend the review of different literature scientific research. Moreover, I think the authors must expand their introduction, discussion, and conclusion sections accordingly with new literature review that might strengthen their investigation.	
Minor REVISION comments	None. I think the manuscript is well written and has not typo or redaction errors.	
Optional/General comments	I suggest the authors cite more articles related with the methodology they performed; and latter get a better understanding of the conclusions they found in their manuscript, discussing them with more details.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
