

## Review Form 1.6

Journal Name:	<a href="#">International Journal of Plant &amp; Soil Science</a>
Manuscript Number:	Ms_IJPSS_91468
Title of the Manuscript:	“Studies on management of fruit and shoot borer [ <i>Leucinodes orbonalis</i> (Guenee)] using chemicals and Neem oil in brinjal <i>Solanum melongena</i> L.”
Type of the Article	Original Research Article

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound.

To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy> )

### **PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<p><b>Introduction:</b> A couple of statements were repeated word for word. There is no justification and purpose of study.</p> <p><b>Materials and methods:</b> some important details are missing and they are needed so that any scientist can repeat the work. As it stands now, no scientist can repeat is based on the information given</p> <p><b>Results and Discussion:</b> It is too superficial and needs to be critically looked at. Author can explore the mode of action of the various insecticides to argue about the results recorded here. Author is also recommended to read about other articles on how to link results to other research findings.</p> <p>There is no table indicating the cost benefit ratios of the various insecticides</p>	
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments	Sentences appear to be abrupt and lack seamless flow of thought. Content is generally poorly edited	

### **PART 2:**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>	

### **Reviewer Details:**

Name:	Kofi Frimpong-Anin
Department, University & Country	Crops Research Institute, Ghana
