

Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_91911
Title of the Manuscript:	Effect of Nutrient optimization through organic and inorganic resources on yield, Uptake and Soil Properties in rice-wheat cropping system
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>The title of the article is too big. It needs to be improved.</p> <p>The number of "References" for the analysis of the article is insufficient. It is necessary to increase their number significantly.</p> <p>In the methodology, the author in the experimental scheme indicates "T1-100% NPK (RDF)", but what amount of fertilizers this is, their type did not provide.</p> <p>It is necessary to substantiate on what principle the authors made a decision on the rate of fertilizer application.</p> <p>You need to check the spelling in the text. A lot of mistakes.</p>	
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
