

Review Form 1.6

Journal Name:	International Journal of Plant & Soil Science
Manuscript Number:	Ms_IJPSS_92026
Title of the Manuscript:	Physico-Chemical properties of Juice in different wine varieties of grape (Vitis vinifera L.)
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ol style="list-style-type: none">1. The study is done around 14 years back. In these 14 years the climatic or environmental conditions may vary which might affect the juice production and physiological profile of the grapes. It is extremely relevant to repeat the study under current environmental condition.2. The methods have not been described in details. The methods should be discussed under separate sub headings in method section.3. Citations are required in the introduction section.4. Pictures of the varieties studied should be given.	
Minor REVISION comments	<ol style="list-style-type: none">1. The manuscript needs to be formatted technically. There are differences in fonts, character spacing etc.2. For toehr corrections please check the comment boxes.	
Optional/General comments	Data of the manuscript is quite old. Such an old data is not suitable for publication unless the experiment / study is repeated under present condition. Though the language and presentation of this manuscript is satisfactory but the old data disqualifies it for further publication.	

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
