

## Review Form 1.6

Journal Name:	<b>International Journal of Plant &amp; Soil Science</b>
Manuscript Number:	<b>Ms_IJPSS_92165</b>
Title of the Manuscript:	<b>A new record to rust fungi of South Western Province Kandahar, Afghanistan</b>
Type of the Article	<b>Research Paper</b>

### **General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journalijpss.com/index.php/IJPSS/editorial-policy> )

### **PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	<ul style="list-style-type: none"> <li>➤ You may need to rewrite the title so that it captures the gist of your study. Suggestion for the title would be "Biological control of <u>Puccinia calcitrapae</u> in <u>Centaurea iberica</u> in <u>South Western Kandahar, Afghanistan</u>"</li> <li>➤ The study you carried out and what you found out needs to be described in the abstract. You may need to summarise the background information in order to be within the recommended word count</li> <li>➤ Describe how you infected the <i>C. iberica</i> plants with <i>Puccinia</i> in the Materials and Methods section before you describe the symptoms on the leaves of <i>C. iberica</i> in the Results section</li> <li>➤ In the Results section, describe what you found in your study i.e. what you observed under microscope and the size of what you measured.</li> <li>➤ In the Discussion section, describe what you observed and the measurements you made and compare this with what is found in the literature</li> <li>➤ The information highlighted in the manuscript should be taken to the Introduction section</li> </ul>	
<b><u>Minor</u></b> REVISION comments	Small grammatical errors that can be corrected	
<b><u>Optional/General</u></b> comments	The manuscript has interesting information that is worthy of being shared with the general scientific community	

### **PART 2:**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Are there ethical issues in this manuscript?</b>	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
