PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	English edition and polishing are highly recommended in order to make the information properly accessible for readers. Abbreviations MUST BE explained when used for the first time in the text and should not come in the title. INM??? CHT???? Once in the INTRODUCTION authors informed that the plants evaluated are introductions from Thailand, it is even worthy to include information about the species point of origin, which is quite certainly South and Central Americas International length and weight units must be revised carefully. What would q/ha mean? And ₹?? Would it be the symbol for the Rupia? Maybe presenting those values in a more common monetary resource, such as dollars or euros would increase manuscript interest.	
Minor REVISION comments		
Optional/General comments
