General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljalsi.com/index.php/JALSI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	<p>Introduction: readable, comprehensive, and covering the subject quite right. Some of the introduction paragraphs should be based on scientific references.</p> <p>Materials and methods: The authors should mention the chemical composition of Dried Roselle, Green tea and Black pepper. The authors should mention the diets of their study (nine (9) dietary treatments) and its calculated analysis.</p> <p>Results : There is missed data in the results such as blood profile.</p> <p>The authors should describe their findings in detail in whole tables.</p> <p>Discussion : The authors should discuss their findings in detail.</p> <p>References : Some references are old. I suggest replace it with modern references. The old references such as:</p> <p>1982, 1987, 1992, 1995, 1996, 1997, 1998 and 1999.</p>	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
