PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Congratulations to the authors for bringing this very important topic. In general, the manuscript already engaging. There are one journal that have almost same idea. Since this journal focused in Egypt patients This article should not only "collage" important sentences and paraphrasing them, but also the authors need to make "synthesis" statement as much as possible in this article and possibly bring new idea also in each section of this manuscript. Not only percentage, the total number (n) of the subjects need to be mentioned in the manuscript	
Minor REVISION comments	Please correct the inconsistency of writing citation and references section based on correct harvard style	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
