General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<https://www.journaljeai.com/index.php/JEAI/editorial-policy>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<ul style="list-style-type: none">- The work is simple and is not so much original.- The writing is too poor and I strongly suggest you to review the text from un English mother tongue.- The aim of the study is not clear ... it should be mentioned at the end of the introduction section.	
Minor REVISION comments	<ul style="list-style-type: none">-The Latin name must be written with italic.- How is <i>Aspergillus niger</i> diagnosed?-Mention the method of statistical analysis in the material and methods section.- The quality and design of the tables must be improved.-The "Conclusion" section should be enlarged by including specific results and conclusions drawn from them, not only the general conclusion of the manuscript.	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
