Minor REVISION comments	It is good; needs to fix some typos.	
Optional/General comments	<p>I appreciate this article. The research problem is quite simple as the title suggests, "Evaluation of the Satisfaction Level of The IDP With the Basic IDP Facilities Provided," as well as the abstract. apparently, internal conflicts have a rather long history (cf. the example on page 2 under the sub-title "Internally Displaced People in Nigeria", in relation to the civil war between 1967 and 1970), which causes the displacement of people.</p> <p>We can, however, expect the author of another article that more sharply analyze the root causes of the protracted internal conflict in the country so that there will hopefully be no more humanitarian victims like the refugees who are forced to settle into IDP camps.</p>
