

Editor's Comment:

Editorial decision for manuscript number: 2022/JMSRR/92239

**Dear Chief Managing Editor,
Please, the introduction is less referenced (twelve (12) references are very few that I ask for authors to complete). However, the information is very clear and comprehensive. Well organized and free from ambiguities. I think that the manuscript revised can be published in this Journal.**

Editor's Details:

Dr. Madogni Vianou Irene
