PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	I want to commend the author for a welldone job. Wishing him/her well in the research defence. It is a scholarly work. After a careful review my comments are basically on some typographical or grammatical expression. My observations are in the minor comment section below.	
Minor REVISION comments	Page 2, line 3 have it that: "The action towards of MDR and XDR TB although cost-effective leftovers overpriced ..." We can recast this as: "The action towards MDR and XDR TB ..." Second paragraph of Discussion: "Besides using CBNAAT, so far a extended span of Rifampicin resistance..." Can be recasted as: "Besides using CBNAAT, so far an extended span of..." The Conclusion part, line 3 states: "PTB add up to a uttermost of all tuberculosis ..." This can be stated as: "PTB add up to an/the uttermost of all tuberculosis..."	
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	<i>(If yes, Kindly please write down the ethical issues here in details)</i>
